Riverside Elementary
School Presents

Space Camp

July 13-15

For our 2010/2011
Riverside Elementary
Kindergarten Students

Space camp is an introduction to
school for our newest
Riverside Rockets!

Dear Parents,

We will be offering an exciting camp this summer for our newest Riverside Rockets! This camp will give our new kindergarten students the opportunity to meet new friends and get to know his/her new school! The camp will last for three days and will involve many fun activities that will leave your child looking forward to his/her kindergarten experience. This will allow your child to become comfortable with the lay-out of the school, enjoy the playground, eat snacks in the cafeteria, and meet some of the kindergarten teachers. Please keep in mind that your child will not necessarily have the same teacher in August as he/she has for Space Camp.

Space Camp will be held at Riverside Elementary School under the supervision of kindergarten teachers. You will receive notification in the mail regarding your child's assigned session, car rider number and name tag.

We encourage all of you to take advantage of this very special opportunity we have planned for your new Riverside Rocket!

Sincerely,
Riverside Kindergarten Teachers
